There is a FREE and easy way for you to do both that
could help earn FREE Recycling Carts for our town.

Burlington County is currently running a contest to increase the number of recyclecoach users and the FIRST TOWNS that reach the user goal increase will receive free Recycle Carts, while funds last. Willingboro's goal is for 464 additional residents to download the app by October 31, 2018.

All you need to do is download the FREE recyclecoach app-available from the App Store and Google Play-to your smart phone and recyclecoach will do the rest. Don't have a smart phone? No problem! Simply visit <http://co.burlington.nj.us/1602/Recycle-Coach> to receive alerts on your laptop or PC.

Time is of the essence so please download the app today
and tell your neighbors and friends to help out too!

*(Recycling carts will be placed in Township's carts
inventory and distributed to residents as needed.)
