

DONT BLOW IT!

PREVENT YARD WASTE, SEDIMENT, TRASH, or DEBRIS of any kind from entering the drainage system.

KEEP ALL STORMDRAINS AND DRAINAGE WAYS CLEAR OF OBSTRUCTIONS SO STORMDRAINS CAN FLOW FREELY!!

DO'S

- ▶ BLOW YARD WASTE BACK ONTO A LANDSCAPED AREA, NOT INTO THE STREET OR STORMDRAIN.
- ▶ COLLECT AND CONTAIN YARD WASTE
- ▶ GRASSCYCLE! GRASS CLIPPINGS CAN STAY ON THE YARD TO PROVIDE NUTRIENTS, MOISTURE THE SOIL AND REDUCE THE NEED FOR FERTILIZER.

DONT'S

- ▶ DO NOT BLOW, SWEEP, DUMP, DIRECT OR PLACE YARD DEBRIS, SEDIMENT, OR TRASH INTO ANY STREET, STORM DRAIN, DITCH, POND, CREEK, ETC.
