## MANAGER'S REPORT

- Our Police Department is a proponent of Community Policing and has arranged to be available at Dunkin Donuts on Beverly Rancocas Road, July 11, 2015 from 10 am-noon to chat with the public. See flyer attached that has been provided for the public.
- There is a resolution on your agenda to allow our Tax office to hold an electronic Tax Sale this year. This new and innovative way to hold a Tax Sale has been approved by the N.J. Division of Local Government Services and has proven to be a more efficient and less costly method to collect prior year taxes. I applaud our Tax Office for researching this new program.

**Public Comment**

**Thomas Floyd**

Mr. Floyd presented Council with a schedule list of the location and cleaning dates that the “Concern Citizen of Buckingham” will be handling for the remainder of the year (see attached).

Mr. Floyd thanked Council for their participation and help with all they’ve done to help the success of the “Concern Citizens of Buckingham”. He gave kudos to the Willingboro Township Inspections Department for seeing that the basketball courts stands were taken out of the streets.

Mr. Floyd asked that the past political signs be removed from the main thoroughfare of the township.

Mr. Floyd suggested that as was done in the past that a Good Neighbor Awards was giving out for those residents who display a well up kept lawn or home. He noted that the “Concern Citizens of Buckingham” will take on that responsibility for the year 2016.

**Martin Nock**

Mr. Nock congratulated the Clerk on her rise to tenure.

Mr. Nock question as to why the township’s robo calls were coming from Los Angeles.

Mr. Nock said that the closing of Shop-Rite was critical and that Council needs to let the public know what process they are taking to bring other businesses into the community. He said that one of the township’s election board members is a personal friend of one of the family

**Willingboro Township Council Meeting of June 3, 2015, held in the Council Chambers, Municipal Complex, One Rev. Dr. M. L. King, Jr., Willingboro, New Jersey.**

**Mr. Nock (Continued)**

members of the Shop-Rite store and was told that the store was not going to close.

**Rebecca Tavernier**

Ms. Tavernier said that the rumor is that ShopRite does not want that building occupied by another store. She said that she was representing Hawthorn Park and would like to know if the rumors are true.

**Iris Vaughn (sic)**

Ms. Vaughn said that she was concern about the way the Mayor is chosen in our town. She noted that she and a few other residents would like to see an elected Mayor. She said that she would no longer want to see the process that goes on from year to year where the Mayor is chosen among his peers.

Ms. Vaughn noted that on the next meeting she will have the courtroom filled with people that feel the same way she does regarding electing a Mayor.

Ms. Vaughn also had a complaint about the area pools not being opened for the summer.

Ms. Vaughn asked that if there was another supermarket that will replace ShopRite will they be able to sell alcohol.

**Pat Lindsay Harvey**

Ms. Harvey said that she would like to see a business forum done like they use to do in the past.

Ms. Harvey also addressed Mr. Floyd by saying that not all renters are section-8 people, or people who do not care. She said that there are residents who own their homes and do not care about the upkeep of their property.

**Gary Johnson**

Mr. Johnson wanted to know when the Township's website would be up and running again so that the residents could continue to get information.

**Council Comments**

**Councilwoman Jennings** said to the resident who walked away stating the we do not answer questions, she said, we do answer questions. And as far as ShopRite is concerned, after many conversations with them, they told us (Council) that they would not be moving. Councilwoman Jennings said that the township could not stop businesses from moving out of the community.

**Councilwoman Jennings** said, concerning the change of government, that issue had been brought up by prior council members and it did not happen, and that many residents that are here at tonight's meeting did not want to see that happen. She noted that the township is actually run by the Manager who reports to Council.

**Deputy Mayor Anderson** congratulated Councilman Holley, Councilwoman Jennings and Martin Nock on their well ran campaign during the primary elections. He also congratulated the Township Clerk on her tenure.

**Deputy Mayor Anderson** asked Mr. Floyd to please let Council know when he plans to give out the Neighborhood Awards and Council will be more than happy to participate.

**Deputy Mayor Anderson** addressed Mr. Nock's question regarding the robo call location. He said that the robo calls are from the county system not the township's system, therefore, it's based wherever their system location is.

**Deputy Mayor Anderson** also told Mr. Nock that the main reason for the robo call was because the county board of election made an error in adding that Levitt School was a polling place, so the correction needed to be made that the polling place alternate was to be McGinley School.

**Deputy Mayor Anderson** addressed the question regarding the closing of ShopRite. He stated that the Township Manager and Ms. Foster of the Senior Center came up with an idea that would help to assist our Willingboro seniors with their shopping. On Tuesday s and Thursdays the Senior Bus will transport those who need to shop to ACME Supermarket. The senior will be picked up from the JFK Center at 10 am and 2pm on those two days. Not only will our seniors be transported to ACME, but to Produce Junction, Meat Stop, and of course to their doctors' appointments.

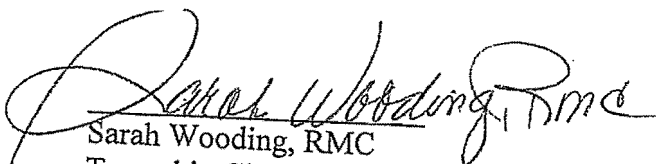

**Mayor Campbell** once again thanked everyone for coming out to the meeting. He also thanked Council for their remarks.

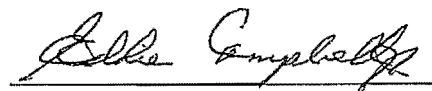

**Mayor Campbell** said that as far as residents requesting a change of government, the process is not as easy as it sounds. He noted that of the 566 municipalities that most of them have the same type of government that we have under the Faulkner Act.

**Mayor Campbell** informed the public that within the next couple weeks he would be holding a Mayor's Forum. He noted that date, time, and place will be advertised in the newspaper.

Ms. Foster asked the Mayor if she could add a statement regarding the transportation of the seniors to ACME. She said not only are they being transported, but that she and the manager spoke to the managers of ACME asking if it was at all possible for them to lower some of their prices. She said that after that conversation there was a significant change in their prices, and that they even supported having a special aisle in the store dedicated to lower priced items.

There being no further discussion the meeting was adjourned at 8:47PM
