**WILLINGBORO TOWNSHIP COUNCIL MEETING
AGENDA**

June 1, 2021

COUNCIL COMMENTS/QUESTIONS TO MUNICIPAL UPDATE

Councilman Anderson:

- What happens when landfills are full, and they close what options are there?
 - Mr. Howard: Whoever is collecting our trash at the time must come up with solution; They will role that in trash collection fees; Mr. Brevogel: Minimize amount of trash created. Transferred 9450 a ton now. Not going to be 9450 it will be extremely higher.
- Are there any strategies in place as far as a committee? What I do not want to happen for whatever reason is another backlash on council and community; see what the options are and do a better job at preparing for situation; Don't wait until the last minute and suddenly we are re in the same situation.
 - Mr. Howard: I agree with you sir. There are members of Council that are helping us push the zero-waste strategy, which is the kickoff to start reducing trash that goes to the land field, and the future cost when the Land field is closed.

Councilwoman Perrone:

- I have a few concerns with the trash collection on many levels. After reaching and double checking, we did not receive a contract for the trash pickup; . We received an ordinance, in reference to the contracts; Typically, the contract is attached to the ordinance; The council has never received the contract;
 - Mr. Howard: When we send out bids, they are very specific. Contract is a combination of resolution bid specs and respond to bid specs.
- We are speaking about a bid and contract. There is no contract to date. This contract is null and void until we receive it and vote for it.
 - Mr. Howard: There was a vote on the recommendation.

Mayor Worthy:

- I did not receive a contract; I participated in meeting & vote were council voted on the resolution.

Mr. Turner:

- I have a draft copy of the contract that still needs to be tighten up before sent to republic.

Deputy Mayor McIntosh:

- There is excess trash; to tell people to hold on to it , is not good; Looking for some alternatives; Fairmont and Rittenhouse isn't getting it; it doesn't fit for our whole town; Doesn't that null and void the contract? minimal communication in a big change; What are our options to help relieve some of the pressure of this abrupt change?

WILLINGBORO TOWNSHIP COUNCIL MEETING AGENDA

June 1, 2021

- Mr. Howard: We didn't do the best job at communicating. We do have to make a change; asked Mr. Brevogel to figure out how we can make this transition easier
- There was no transition. We can't get rid of the trash right now. What are the alternatives? What can we do to elevate the trash right now?
 - Mr. Howard: We won't leave trash behind. We can't do it long term.
- Councilman Anderson:
 - We were under the impression that there was a contract in place. What happens to trash collection? We dropped the ball. Communication didn't go out, that is very disheartening. How long is the transition period?
- Councilwoman Perrone:
 - We can use competitive contracting. Would like to have a discussion on what we have.
- Mayor Worthy:
 - Re-look at bid specs to see what our options are? How we can be a clean community. Is there anything else we need related to this process?
- Councilwoman Whitfield:
 - What does the grace period look like?
- Deputy Mayor McIntosh:
 - The no automation for Rittenhouse and Fairmount Park, how does that change the bid? What is tax impact of all bids?
- Councilwoman Whitfield:
 - What is the plan for reinstating the trash can throughout the community that were removed?
- Mayor Worthy:
 - How quickly will we be able to get some feedback on revisiting the bid specs and the items discussed tonight? What the options are?
 - Mr. Howard: will speak with Solicitor tomorrow. We will have discussion. Will work through it.
 - Mr. Brevogel stated that Republic didn't refuse to do trash in Rittenhouse/Fairmount. We stated that we would meet with them and get back to Republic.
- Councilwoman Whitfield:
 - All trash piled up is a problem. Delay in recycling pickup is a problem. We need to do our research and have a strategy.
- Deputy Mayor:
 - Right now, what can residents do with their extra trash?
 - Mr. Brevogel : I don't have an answer for that.
 - Mr. Howard: Public works and the contractor both indicated that they won't leave trash in the street. We will work to collect the garbage. However, that can't be the long term answer.
- Councilwoman Whitfield:

**WILLINGBORO TOWNSHIP COUNCIL MEETING
AGENDA**

June 1, 2021

- Commends Councilwoman Perrone; if she wasn't on Council, we would be in pitiful shape
 - Mr. Howard, I don't know who you are; I have been here since 1981; I feel you are manipulative and don't have Willingboro best interest at heart
 - Who heard of Bids without a contract? If one lawyer can't do it, should be a committee of lawyers
 - Don't know Mr. Brevogel either but he is not addressing the needs of the community
 - Thank you, Council, for addressing the situation but we need more of it; We expected council to help us in Willingboro.
14. Ms. Thomason: 11 Belmont Lane
- Would it be possible to have day to take all the bulk trash?
 - Is it the 3rd week; Would that be continually or just during transition?
 - Need some way to have the bulk of trash picked up. I do not want to pay more in taxes.
15. Dave Burkley: 15 Sylvan Lane
- Very disappointed. Communication on this was ridiculous; Facebook shouldn't be the primary mode for the Township
 - Everybody put their trash out; today is our trash day
 - Eight people live in my home. Makes no sense to get the same 1 trash can as a single family home.
16. Cheryl Taylor: 57 Budhollow Lane

 - There should be better communication.
17. Crystal Wilson: 35 Somerset Drive
- Roll out of trash system was done very poorly
 - Who issues robo calls? How do you sign up?
 - How will the information be communicated to the residents once you sign a contract?
 - How will this new form of communication go out?
 - What will the plan be for bulk items? Need to be specific
 - Can we have a townhall meeting?
18. Maria Boyer Beechnut Lane
- Everything was discussed; how the ball was dropped; no communication with residents
 - We need to solve this issue with the trash tonight. You are not under contract; the ball is already rolling
 - Bulk trash twice a month is not going to work
 - New garbage bin is broken; we called every number in your Municipality; we put the can out, but they can't pick it up
19. Shawnette Bright: Mainbridge Lane

**WILLINGBORO TOWNSHIP COUNCIL MEETING
AGENDA**

June 1, 2021

 - One can, residents will start dumping trash illegally at the Avery Apartments.
 - Insensitive to get a letter for a violation for system not in place.
 - If residents are not on social media, they are not informed.
20. Antonio Walker: 18 Guild Court 2 decade residents
- Appreciate the efforts of the Mayor and Council
 - Transparency of this meeting has shown how willfully inadequate our Council's performance has been on this issue; obvious systemic communication failures
 - No Communication between council and community.
21. Kevin Sharp: Edgemont Lane
- Believe communication was lacking because you knew it would not be received well
 - Bulk pickup plan inadequate
 - Don't tell me I have to mulch and compost
22. Angela Esaw: 19 Gallaway Lane
- What is the official notification process for Township ordinances or new roll outs that taxpayers must comply with?
 - Do not want an increase in taxes without input.
 - We should phase in changes; I still don't know what to do with my trash
23. Ron Mullen.: 45 Hasting Lane
- Every township has a place to take our trash to.
 - Open Crystal lake so we can get rid of grass clippings.: would help with bulk.
24. S Holly: 9 Tioga Lane
- Thanked Councilwoman Perrone for bringing this subject up; no contract
 - We did receive our trash can; called Mr. Brevogel and he picked up the phone himself
 - I am not going to mulch; should not be mandated
 - Get a better system for informing older citizen not on social media.
25. Susan O: 11 Fireside Court
- When will Fairmont park's trash going to be picked up?
26. Maggie Vargas: 68 Bloomfield Lane
- Very disturbed
 - Why aren't we allowed to speak and take a vote?
 - Turning this into another Newark;
 - Making it worse & not allowing taxpayers to have a say.
27. Jasmine Davis: 69 Crestview Drive
- Glad the residents have called in and held Council responsible.
 - What is the process for actual contract & not bids to be voted on?
 - Thanked Councilwoman Perrone for sticking up for the community
28. Pamela Michell 68 Holyoke Lane 47 years resident
- This change is horrific

**WILLINGBORO TOWNSHIP COUNCIL MEETING
AGENDA**

June 1, 2021

- Are group homes getting one can?
 - Council and Mayor, I am so disappointed.
 - Public go out and vote and vote for what is right
29. Steven Craig: Belmont Lane
- Social media does not work for everyone; staggered time for meeting
 - What can we do to make it better?
30. Thomas Floyd 8 Buckingham Drive
- Thanked Deputy Mayor McIntosh and Councilwoman Whitfield coming to our clean up
 - Litter cans moved; We use litter cans for drop-offs for litter patrol.
 - We want our streets & fields clean; we do that
31. Pat Lindsey-Harvey 12 Hadley Lane
- Its apparent that Council didn't get all the information they need and the residents either
 - Moving forward Communication at all levels needs to improve
32. Mara Cordero: 61 Grimble Lane
- One can is not enough; this community is growing; take into consideration that we have children
 - trash on the side of my house.
33. Beth Rena: 64 Trinity Turn
- Seen changes.
 - Five people in family, one trash can is not enough.
 - Marlton has two day of picking up trash. Or instead of one bin two bins.
 - We don't want to be a Camden or Newark. Fix issues.
34. Lee Slater: 20 Springfield Lane
- Council needs to be more available; and get out in the community
 - No coordination between leaders and the supervision of departments in this town to make this a smooth operation.
 - Business are not coming here; hard town to work with
35. Charles : 37 Brunswick Lane
- Not for tax increase on trash bins.
36. Stacy Middleton-James: 10 Magnet Lane 20 year resident
- Why doesn't Willingboro have a recycling center like Burlington Township?
37. Mattie Mallery: 5 Hudson Place
- Thank all of residence who participated tonight about trash issue.
 - The same way we notify residents to pay their taxes we can let them know about what's going on in town.
 - Not everyone has access to computers.

**WILLINGBORO TOWNSHIP COUNCIL MEETING
AGENDA**

June 1, 2021

RESPONSE TO PUBLIC COMMENTS 2.41

- **Mr. Howard:** Recycle center, not one. There is recycling at public works to drop off recycle.
 - Group homes - one bin.
 - Fairmont Park – Mr. Brevogel will check with the contractor tomorrow to see what happened; trash day was supposed to change to match Rittenhouse; Mr. Brevogel will follow up to see why the trash wasn't picked up
 - Robo calls do go to cell phones and landlines; will post the instructions
 - Bulk days is ongoing. For the last week of the month bulk items will be picked up.
 - Landlord or homeowner is responsible for items left at vacant home, will investigate this matter.
 - The best way to give input on votes is to attend the council meetings. Councils contact info is on the website. Recommendations to COVID protocol.
 - Weight of bins, we are working on resolving for seniors.
 - Mattress & refrigerators are separate from normal bulk pick up.
 - Contracts will only pick up green cart from township.
- **Mayor Worthy:**
 - How to request the proclamation? Send request to the Clerk's office.
 - In person meetings, Committee will make recommendations that will be presented to counsel for review.
 - Communications, we have sought Council for multi-generational need via, phone, email, postal mail, and social media. Electronic billboards as an option. Yard signs for different events. We know we can do it; we must come up with a strategic communication plan.

This is so we can collect our third quarter as normal. Councilman Anderson: At what point will we be able to establish a tax rate? When does that normally happen? Mrs. Lamar: When the county approves our rate. Councilman Anderson: It's all contingent upon the county's approval? Mrs. Lamar: Yes, Councilman Anderson: What month does that happen? DISCUSSION

- Councilman Anderson: Mr. Howard please discuss this? Mr. Howard: To allow municipality of Willingboro to do our tax lean sales, on the online platform. Prior to this we did live tax lean sales in the court room. For about three to four years. We have been doing Tax lean sales online. Councilman Anderson: It's being termed a pilot because it's a new program that were going online with? Mr. Howard: When this originally passed it was called the pilot program, this is something that we have been doing for a while. It is the ability to do our tax liens online. Councilwoman Whitfield: Are you saying it's no longer a pilot program? It reads as a new program. Mayor Worthy: Can the resolution title be amended to reflect the actual program since it's no longer a pilot program? Councilwoman Whitfield: Even throughout the body it states that this is a pilot program. Mr. Howard: The body of the resolution or the actual agreement? Councilwoman Whitfield: Throughout the body of the resolution. Councilwoman Perrone: What is the name of the program? Mr. Howard: Website we use is realauction.com. Is that what you're asking? Councilwoman Perrone: It doesn't say what the name of the program is. Mr. Howard: It's an agreement between the municipality of Willingboro and realautions.com LLC as the contractor to do our tax Lien sales or online. Title of resolution may be misleading. Mr. Howard: Tax collector and tax assessor will take this question. Mrs. Lamar: Not sure why it is referred this way. Would you like the wording removed? Mayor Worthy: Can you clarify if its (payment in lieu of taxes) is it the acronym, temporary and experimental? Justin: Doesn't have anything to do with pilot in lieu of taxes. What there offering is a pilot that is a program that's in a beginning process for that company. Mr. Howard: This is not a pilot. Term company wanted me to use in the resolution. Not a (payment in lieu of taxes). Councilwoman Perrone: Did not think it was a pilot. It sounds like an experiment there advertising for the County to try out. Mr. Howard: This has been around for 6 years. We have been using this since 2015. Councilwoman Perrone: Why is the name not on there? Mr. Howard: It is on there. It's realauction.com.
