When you see our crews in the street installing new gas pipes, please pardon any inconvenience. We're working hard to make sure our gas system is upgraded to safely and reliably provide you with heat and hot water now and in the future. For a list of towns and streets where the work is taking place, go to pseg.com/gaswork.

Mother Nature can be unpredictable during this time of year. If there is loss of power, be prepared and safe: keep refrigerator and freezer doors closed, use caution with candles, and turn off lights and appliances to avoid overloading circuits once power is restored.

Pay your way! PSEG offers a variety of convenient ways to pay your bill -- including the option to pay through Amazon's Alexa. To learn more, see the enclosed "Working for you" newsletter, or visit pseg.com/paymentoptions.

Your bill for service is unpaid and past due. Payment of \$24,358.31 must be received by 3/12/2019 or your account may be removed from the PSE&G collective billing process. As a result, service on individual accounts may be discontinued. If service is discontinued, a reconnection fee of \$45.00 will be charged for each service that is shut off. Service may not be restored on the same day. Delinquent bills result in a poor PSE&G Credit Rating.

Beware of payment scams. If you receive a phone call from someone demanding immediate bill payment with a prepaid card, it is a scam. PSE&G never requires payment with a prepaid card. When in doubt, hang-up and call the number listed on your bill: 1-800-436-7734. For more information, visit pseg.com/scamalert.

Carbon monoxide (CO) poisoning is more common in cold weather. Install CO detectors throughout your home or business. To learn more about how to protect yourself, visit pseg.com/safety.

Your net metering

As a net metering customer, you'll receive a bill every month based on your "net consumption" of electricity, measured in kilowatt-hours (kWh). The net consumption is the difference between the amount of electricity drawn from PSE&G when your generating system is not meeting your energy needs and the amount you delivered when you were producing in excess to your energy needs.

Your bill for service is unpaid and past due. Payment of \$627.77 must be received by 3/12/2019 or your account may be removed from the PSE&G collective billing process. As a result, service on individual accounts may be discontinued. If service is discontinued, a reconnection fee of \$45.00 will be charged for each service that is shut off. Service may not be restored on the same day. Delinquent bills result in a poor PSE&G Credit Rating.

Beware of payment scams. If you receive a phone call from someone demanding immediate bill payment with a prepaid card, it is a scam. PSE&G never requires payment with a prepaid card. When in doubt, hang-up and call the number listed on your bill: 1-800-436-7734. For more information, visit pseg.com/scamalert.

Carbon monoxide (CO) poisoning is more common in cold weather. Install CO detectors throughout your home or business. To learn more about how to protect yourself, visit pseg.com/safety.

When you see our crews in the street installing new gas pipes, please pardon any inconvenience. We're working hard to make sure our gas system is upgraded to safely and reliably provide you with heat and hot water now and in the future. For a list of towns and streets where the work is taking place, go to pseg.com/gaswork.

Mother Nature can be unpredictable during this time of year. If there is loss of power, be prepared and safe: keep refrigerator and freezer doors closed, use caution with candles, and turn off lights and appliances to avoid overloading circuits once power is restored.

Pay your way! PSE&G offers a variety of convenient ways to pay your bill – including the option to pay through Amazon's Alexa. To learn more, see the enclosed "Working for you" newsletter, or visit pseg.com/paymentoptions.
