TO : Chief Gary A. Owens
FROM : Officer Robert Bieniek / Radio Maintenance Officer
Subject : Site Inspection Of Waxman Radio Company
Date : June 15, 1992

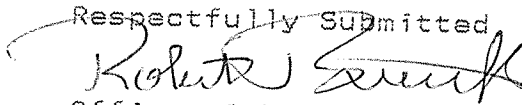

As per your request and as stipulated in the radio maintenance bid specifications, I conducted an inspection of Waxman Radio Company located on Route 30 in Lindenwold N.J.

I found the company to be well equipped to service our needs. They have a showroom / storefront that sells mobilephones, C.B.'s, mobile radios, portable radios and all related equipment. Next to the storefront is another building that houses their offices. Behind that building is located a large two bay garage that holds up to four vehicles at one time. This building is used for their installs. I was then taken back to the main building that housed the store and in the basement of that building was located the repair facility for all portable and mobile radios (it is a very well equipped repair facility).

The company has eight service vehicles that are fully equipped to handle just about any repair on site.

I recommend that we accept the bid from Waxman Radio Company to service our radio equipment effective July 4, 1992 and to continue for one year.

Respectfully Submitted,

Officer Robert Bieniek
Radio Maintenance Officer

TO: Mrs. Johnson

Based upon Off. Bieniek's report, I recommend that Council award the radio maintenance bid to Waxman Radio Co.

RE: Bid Recommendation
Oil Spill Remediation Project
LAWB File No. 91-39-15B

Dear Mrs. Johnson:

On July 13, 1992, we received bids for the above refer-
enced project. We've reviewed the bid of Republic Environ-
mental Systems a copy of which is attached and find that it is
complete and in order. We, therefore, recommend that award
of the contract in the amount of \$241,187.00. Please be
aware that the award of a contract in this amount should be
made with the knowledge that certain unknowns and indetermi-
nate quantities will be encountered during the course of the
project and that final contract amount may be different than
the award.

Please call if you have any questions.

Very truly yours,

Arnold W. Barnett, PE & LS
