The Township will deduct and retain out of the monies which may become due hereunder, the amount of any such liquidated damages.

- The successful bidder/ contractor shall not assign transfer, convey, sublet or otherwise dispose of any interest in this contract without the prior written consent of the Township.

SECTION XI - TERMINATION OF CONTRACT

- If through any cause, the successful bidder shall fail to fulfill in a timely and proper manner obligations under this contract or if the contractor shall violate any of the requirements of this contract, the Township shall thereupon have the right to terminate this contract by giving written notice to the contractor of such termination and specifying the effective date of termination. Such termination shall relieve the Township of any obligation for balances to the contractor of any sum or sums set forth in the contract.
- Notwithstanding the above, the contractor shall not be relieved of liability to the Township for damages sustained by the Township by virtue of any breach of the contract by the contractor and the Township may withhold any payments to the contractor for the purpose of compensation until such time as the exact amount of the damage due the Township from the contractor is determined.

o The work is not completed within the time herein provided therefore or within the time to which the Contractor may be entitled to have such completion extended.

Before the Township shall exercise its right to declare the Contractor in default by reason of the conditions set forth above, the Contractor shall be given an opportunity to be heard. The right to declare in default, for any of the grounds specified or referred to herein, shall be exercised by sending the Contractor a notice signed by the Business Administrator, setting forth the ground or grounds upon which such default is declared. Upon receipt of such notice, the Contractor shall immediately discontinue all further operations under this contract and shall immediately quit the site, leaving UNTOUCHED all plant, materials, equipment, tools and supplies then on the site.

The Township, after declaring the Contractor in default, shall then have the work completed by such means and in such manner, by contract with or without public letting, or otherwise, as the Township shall deem advisable, utilizing for such purposes any of the Contractor's or Sub-contractor's plant, materials, equipment, tools and supplies remaining on the site, as shall be deemed to be available.

After such completion, the Township shall certify the expense incurred in such completion, which shall include the cost of relating as well as the total amount of liquidated damages (at the rate provided for) from the date when the work should have been completed by the Contract, in accordance with the terms hereof to the date of actual completion of the work. Such certifications shall be binding and conclusive upon the Contractor, his Sureties, and any person claiming under the contract, as to the amount thereof.

The expense of such completion, as so certified by the Township shall be charged against and deducted from such monies as would have been payable to the Contractor, if he had completed the work; and the balance of such monies, if any, subject to the other provisions of this Contract, shall be paid to the Contractor without interest after such completion. Should the expense of such completion, so certified by

the Township, exceed the total sum which would have been payable under this contract if the same had been completed by the Contractor, any such excess shall be paid by the Contractor to the Township upon demand.

- Continuation of the terms of this contract beyond the fiscal year is contingent on availability of funds in the following year's budget. In the event of unavailability of such funds, the Township reserves the right to cancel this contract.

- o Nothing herein shall be construed to prevent the Township and contractor from agreeing to an alternate dispute resolution procedure in lieu of or in addition to mediation.

Reforms to the Business Registration Certificate Filing: permits filing prior to award of contracts if not filed with bid. Effective with bids received and contracts awarded after January 18, 2010, this law removes the requirement of the Local Public Contracts Law (N.J.S.A. 40A:11-23.2) that required a bid to be rejected if the bidder failed to include a BRC with the bid, even though it may have been the otherwise lowest responsible bid. The law now allows the BRC to be filed any time prior to award of the contract and the bidder had to have obtained the BRC prior to receipt of bids. This permits the BRC to be required with a bid, or submitted subsequently. If a BRC is required in a bid, but not submitted with the bid, it would be an immaterial defect; curable by being filed prior to award of the contract. A BRC is obtained from the New Jersey Division of Revenue. Information on obtaining a BRC is available on the internet at www.nj.gov/njbgs or by phone at (609) 292-1730.

N.J.S.A. 52:32-44 imposes the following requirements on contractors and all subcontractors that knowingly provide goods or perform services for a contractor fulfilling this contract:

- 1) The contractor shall provide written notice to its subcontractors and suppliers to submit proof of business registration to the contractor;
- 2) Subcontractors through all tiers of a project must provide written notice to their subcontractors and suppliers to submit proof of business registration and subcontractors shall collect such proofs of business registration and maintain them on file;
- 3) Prior to receipt of final payment from a contracting agency, a contractor must submit to the contracting agency an accurate list of all subcontractors or attest that none was used;
- 4) During the term of this contract, the contractor and its affiliates shall collect and remit, and shall notify all subcontractors and their affiliates that they must collect and remit to the Director, New Jersey Division of Taxation, the use tax due pursuant to the Sales and Use Tax Act, (N.J.S.A. 54:32B-1 et seq.) on all sales of tangible personal property delivered into this State.

A contractor, subcontractor or supplier who fails to provide proof of business registration or provides false business registration information shall be liable to a penalty of \$25 for each day of violation, not to exceed \$50,000 for each business registration not properly provided or maintained under a contract with a contracting agency. General Instructions
Section references are to the Internal Revenue Code unless otherwise noted.
Future developments. The IRS has created a page on IRS.gov for information about Form W-9, at www.irs.gov/w9. Information about any future developments affecting Form W-9 (such as legislation enacted after we release it) will be posted on that page.
Purpose of Form
A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, payments made to you in settlement of payment card and third party network transactions, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.
Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:
1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income, and
4. Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting, is correct.
Note. If you are a U.S. person and a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.
Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:
• An individual who is a U.S. citizen or U.S. resident alien,
• A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
• An estate (other than a foreign estate), or
• A domestic trust (as defined in Regulations section 301.7701-7).
Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax under section 1446 on any foreign partners' share of effectively connected taxable income from such business. Further, in certain cases where a Form W-9 has not been received, the rules under section 1446 require a partnership to presume that a partner is a foreign person, and pay the section 1446 withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid section 1446 withholding on your share of partnership income.
