PUBLIC COMMENT

Jacqueline Mack Maplewood Lane

- Public Works - Do we have one that is going to join so we have two sweepers in the township? Or has that one not been repaired yet?
- How much does each program bring in ? Is there enough revenue to cover the cost?
- Kennedy Center – Does that bring in enough revenue that does not cover for other programs
- Signs at the Kennedy Center – the one by the driveway can it be upgraded
- Lights going into the Kennedy Center do not work properly

Township Manager addresses Ms. Mack's public comment –

- *The Kennedy Center – Ms. Bolden has elevated one of her staff to market the banquet hall for the Kennedy center, still working out what the theater will be, once it is completed, we will begin marketing out the use of that facility*
- *The shrubbery or aesthetics will be looked at so we can beautify that*
