

BE A GOOD NEIGHBOR THIS WINTER

Help keep sidewalks and roadways clear!

SHOVEL YOUR SIDEWALKS

- *Sidewalks must be cleared within 24 hours of a 2-inch or greater snowfall
- *Shovel snow into the yard, not the street
- *Check your lease!! This may be your responsibility as the tenant
- *If you are leaving for an extended period, find someone to shovel your sidewalks
- *Remove all basketball stands or nets from street or the right of way

DON'T GET TOWED

- *When a forecast is predicting two inches or more of snow, parking on streets in Willingboro is prohibited
- *The parking ban remains in effect until the streets are plowed adequately, ensuring smooth traffic flow and efficient snow removal
- *If your paved driveway can't accommodate your vehicle during a snow emergency, you can temporarily park on the landscaped front yard portion of your property
- *Vehicles in violation of this ordinance are subject to being towed at the owner's expense

PREVENT FROZEN PIPES

- *Cold weather can freeze pipes leading to bursts that can cost thousands of dollars in damage
- *Know where the water shut off valve is located
- *Keep the heat set to at least 55 degrees
- *If you have a water emergency, call 609-877-3875
