

When can I put out my garbage cans?

Cans and special collection items can be placed at the street curb at 6:00 PM or later, on the evening preceding the scheduled pick up day.

Where can I keep my garbage cans?

When not out for collection cans may be stored:

- Inside a garage or shed
- Along a side wall of the home or garage
- In the rear of the property
- For corner properties, please store to the rear or side of your property not adjacent to the street
- For townhomes, please store inside the rear yard fenced area

Why can't I keep my garbage cans in front of my house?

Keeping garbage cans in a less visible location and stored securely, helps with the beautification of neighborhoods and the preservation of property values.

Help us keep Willingboro beautiful and safe. Please remember to store garbage cans:

- ✓ **Inside of your garage**
- ✓ **On the side of your home**
- ✓ **In the rear yard**

⊘ Please do not store cans in front of your home.

👍 Garbage cans may be brought to the curb beginning at 6:00 p.m. on the evening before the scheduled collection day.
